## Here's Weather Forecast

### WEATHER FOR THE WEEK:

While the weather has maintained a chilly pattern, no large scale outbreaks of polar air have invaded Texas but this situation is expected to amended itself shortly. Heavy snows occurring along the Canadian border and moderate pressure rises in the northern plains indicate a strong push of cold wintry weather about to push down the Rockies, across the upper Brazos and into the blackland prairie late in the forecast period. This will be complicated by the presence of warm moist air aloft and brisk southerly winds about 3 tshd. feet above the cold surface air. This is known, weather-wise, as "warm air over - running" and will result in moderate freezing rain for the Brazos - San Gabriel basins. Clearing and cooler toward the end of the forecast period or shortly thereafter.

### THURSDAY

Scattered low morning clouds and patchy ground fog. Continued cool morning and evening. Mild and sunny in the afternoon with winds shifting to SE 12 - 14 Gusts to 18 in the afternoon. High 54-56. Low 36 - 40.

### FRIDAY

Low morning clouds and heavy fog along the river courses. Light morning winds SE 2-8 Becoming gusty 18 - 20 in the afternoon. Low clouds and fog lifting by noon. Partly cloudy in the afternoon and evening with light rain by mid-night. High 62 - 66. Low 42 - 44.

### SATURDAY

Continued cloudy and cool in the morning, clearing and cooler in the afternoon with brisk northeast winds 18 - 22 gusts to 26 and diminishing after sundown. High 32-42. Low 24 - 26.

### SUNDAY

Sunny and cool during the day, clear and cool at night with slow rising humidity and temperatures. Increasing high clouds in the late afternoon. High 50 - 52. Low 30 - 32. Light and variable winds.

### MONDAY

Sunny and warmer during the day with patchy ground fog around sunrise. Scattered afternoon clouds clearing in the evening with heavy fog around midnight. High 54-58. Low 34-38. Southeast winds 18-22 during the day and 8 - 10 morning and evening.

### TUESDAY

Heavy low morning clouds and dense fog, high humidity and brisk southeast winds 12-20 shifting to northeast in the late morning with continued cloudy conditions and continuous light rain and much colder in the afternoon. Rain turning to freezing rain by 10:30 p. m. and continuing through the early morning hours. Slick highways and coated power lines. High 40 - 42. Low 30 - 32.

### WEDNESDAY

Continued heavy low morning clouds and occasional freezing rain turning to light rain in the mid-morning with heavy fog. Brief clearing late in the afternoon followed by lowering clouds, rain and fog again at night. With occasional freezing drizzle Llano San Saba area. High 32 - 30. Low 28-32. Northeast winds 16 - 18.

### THURSDAY

Cloudy and foggy in the morning lifting rapidly and clear in the late morning. Sunny and much warmer in the afternoon. Continuing cool at night. Falling humidity and pressure with southwest winds 12 - 16 during the day becoming calm at night.

RANDOW ADDRESSES SCOUTERS — W. H. Randow, Scout Executive of the Heart of Texas Council speaks on the Ten Commandments for Happy Living. At his left is Richard Williams, District Chairman for the last two years, who was replaced by R. R. Sugg of Rockdale.

## 72 Hear Randow At Scout Dinner

Seventy-two Tejas District Scouts leaders and their wives Thursday heard W. H. Randow, Scout executive from the Heart of Texas Council at First Methodist Fellowship Hall.

His address on "The Ten Commandments for Happy Living" keyed the annual appreciation dinner for the Tejas District leaders.

Elected district leaders for the coming year were: district chairman, R. R. Sugg, Rockdale; and co - chairmen, Elmer Sanders, Rosebud; County Judge Don Humble, Cameron; and Bob Hornbeck, Rockdale.

Richard Williams, district chairman for the past two years, reviewed the past year's highlights and welcomed the district officers and guests.

He was presented with a Scout statuette for his service by Charlie Burke, district committeeman, Cameron.

Toastmaster Jimmy Whitechurch introduced Mrs. Betty Dorner and Mrs. Pearl Wilkinson who received Den Mothers Awards from Joe Spadora, district training chairman.

E. O. Schiller, Jr., was recognized with a 10 - year award for Scouting service by Ted Matula. Felix Matula, Jr., Cameron, presented a report on plans for the 1960 Scout Jamboree.

Frank Hyder read the nominating committee's report selecting Sugg, Sanders, Humble and Hornbeck to the district posts.

Giving the invocation was the Rev. Robert Greaves.

Mike Boedeker, member of Cub Scout Pack 213, Scout Larry Schiller of Troop 52 and Explorer James Edwards of Post 85, gave the closing ceremony.

## Milam Delegation Meets With Peage

Members of the Milam Farm Bureau water committee discussed overflow water problems Monday in Waco with Rep. W. R. Poage, 11th District congressman. The group discussed damage done to bottomland farm by water released from Belton Reservoir.

O. G. Tunnison, Milam FB president, said that the group asked about the possibility of construction of dams to prevent recurring overflows.

An official of the U. S. Army Corps of Engineers, Fort Worth, said a dam is scheduled for construction on the San Gabriel.

Attending the conference with Poage were: C. O. Angell, F. A. Scarbrough, Nelson Davis, H. L. McClerran, H. M. Yeager and Lawrence McLerran.

### Referendum Set For Milam Vote Next Tuesday

Committees of farmers who will be responsible for conducting the cotton marketing quota referendum throughout the county Tuesday were announced today by the Milam County Agricultural Stabilization and Conservation Committee. All committee members are farmers eligible to vote in the referendum.

Arrangements have also been completed for establishing polling places in all of Milam County's eight cotton - growing communities. Notices showing the date of the referendum, the rules governing eligibility to vote and the location of polling places have been posted in conspicuous places in the county.

Gib Terry, chairman, County ASC Committee, says that "eligible" voters in the December 15 referendum are all persons who, as landlords, tenants, or sharecroppers, engaged in the production of upland cotton in 1959.

Any questions about eligibility should be checked in advance with the County Office, he announced.

The community polling places and time of the referendum are as follows:

A — Clarkson Community - Ben Arnold School House

A — Clarkson Community - Briary Community Center Building

B — Maysfield Community - Post Office (Tawatt's Store)

C — Rockdale Community - Am-Department of Public Welfare Building

E — Thorndale Community - Thorndale State Bank

F — Sharp Community - Sharp High School

G — Buckholts Community - Criswell's Cotton Office

H — Cameron Community - Milam County ASC Office

The polls will open at 8 a. m. and close at 6 p. m.

## Herald Lists Feature Winners

How many of the 83 Cameron business and civic workers did you know?

Nine Cameronites knew practically all the answers to lead the host of entries in The Cameron Herald's "Eyes To The Future" picture feature contest.

Mrs. Neal Dodson, 1501 N. Houston, was the top winner with a perfect score on all the names and identifications on the Herald's picture feature run November 26.

Her entry came in ahead of a second perfect report by Lillie McWilliams, 1207 N. Travis, who placed second.

Third place and \$5 goes to Mrs. Ida Johns, who had only one error.

Mrs. Dodson wins the \$15 first prize and Miss McWilliams takes home her second place award of \$10.

A half dozen other entries had only two errors. Winning honorable mention were: Mrs. Pete Mi-

kula, 715 South College; Mrs. Frank Zalesky, 1303 N. Travis; Buddy Shipp, Cameron; Mrs. Lawrence Jeter, Rt. 2, Cameron; Mrs. J. D. Moore, Cameron and Mrs. A. J. Lewis, 608 W. Main.

Entries were so good that final decisions were based on early entries and complete accuracy of the identifications of both names and business connection.

The "Eyes To The Future" feature again runs on an inside page of The Herald today, showing all 83 names and their business identifications.

The Herald wishes to thank all the people of Cameron and North Milam County for their interest in the feature. Entries came into The Herald office up to the deadline 5 p. m. December 5.

Copies suitable for permanent record or framing are being furnished all participating individuals and firms.

## Upto 1,500 See Crowning, Skits, Court

A packed Yoe Gymnasium crowd saw three school queens crowned Tuesday night in the largest Cameron school Carnival in history.

Amid a Mardi Gras air or gaiety and frenzied yells for favorites, Gayle Harper, Patty White and Mary Kestenbaum were crowned queens of Ben Milam, Ada Henderson and Yoe High Schols respectively.

They were escorted to the throne by Kings Ronnie Kretschmar, Newton Burnett and Ivan Vogelsang respectively in a procession of princes and princesses in the tradition of Cameron School Carnival royalty.

Presentation and crowning of the school kings and queens highlighted an evening of fun and frolic for every grade in the Cameron school system.

Each class presented skits and held concession for the 1,000 to 1,500 students and parents who jammed Yoe Gymnasium for the annual spectacle.

Supt. Wiley Loughmiller reported a record \$1,741 taken in concession sales for everything from candy to popcorn during the evening. Proceeds will be divided among the classes for future school projects, he said.

About 900 people alone attended the chili supper held before the Carnival festivities, school officials said.

The size of the annual extravaganza of costumes, frolic and pageantry puts it on a par with any school activity of similar nature in Central Texas.

Bedlam reigned before school royalty went to the stage to be honored.

Literally hundreds of youngsters joined in skits and concession sales amidst the holiday din of voices. Signs, flags, banners and colorful streamers filled the field house.

The atmosphere was electric for the hundreds of school children when the royal procession began. Senior Mark Perrin introduced the procession of jesters, crown bearers and royalty, elected by class vote earlier this year.

In Queen Gayle's court were: first grade princess Kathryn Kahler and prince David Boedeker; second grade princess Carolyn Mitchell and prince Wade Fatherree; jesters Joe Nathan Lewis, Edward Whitley and Van Eanes; and crown bearer Sally Mendoza.

Queen Patty's court included: fourth grade princess, Rebecca Smith and prince Glenn Bollinger; fifth grade princess Billie Cummings and prince Jack Glass; seventh grade princess Cathy Grimes and prince Phil Eanes; eighth grade princess Patricia Holland and prince Larry Hillman; and crownbearer Donna Tindall.

Queen Mary was preceded by a court including: freshman princess Margie Conley and prince Amos Dosocil; sophomore princess Suzanne Lippman and prince James Anderle; and senior princess Genevieve Kostroun and prince Dwayne Juergans; and crownbearer Ann Arthur.

## Jane Matyastik Wins Essay Award

Billy Peck manager of Milam Theatre has announced that Jane Matyastik, 704 Ross Avenue, is the winner of a model ship in an essay contest sponsored by the theatre.

Miss Matyastik's essay was the winning entry in a number of entries of John Paul Jones.

She will receive a model of the "Bon Homme Richard", ship captained by the famous American Revolutionary sea captain. It is on display at The Herald.

The Milam recently ran a special picture on the exploits of Jones during the Revolutionary War.

## Leaflet Lists Influences Of Crop Integration

To what extent has integration occurred in growing and marketing wheat and feed grains in Texas? Answers to these questions can be found in a new leaflet, "Vertical Integration in Texas Agriculture Grains," released jointly by the Texas Agricultural Experiment Station-Extension Service.

From initial local assembly and storage through mill operations there is considerable integration, and has been for many years. Some large companies operating elevators and mills in Texas are national in scope and have similar integrated operations in other states, according to one of the leaflet authors, C. A. Moore, associate professor, Texas Agricultural Experiment Station.

In Texas, as elsewhere, little integration reaches the grain producer. Some seed, grain sorghums for example, are grown under contract and are integrated through several operations. Several thousand acres of white grain sorghum are grown under contract for use in manufacturing starch, Moore noted. The manufacturer has a contract with local dealers who, in turn, contract with growers to take their production from

## FFA Preparing To Enter 1960 Electric Awards Program

Cameron area Future Farmers of America were reminded this week to make preparations to enter the 1960 Texas FFA Electric Awards Program sponsored annually by Texas Power and Light Company and 10 other Texas electric utilities.

The program is designed to recognize students of vocational agriculture who have achieved the most in making practical and economic use of electricity in connection with productive supervising farming activity on the farm and in the home.

Future Farmers compete for area prizes ranging from \$10 to \$50 and for a \$100 state award. Area and state winners may qualify for a national award. The 1959 state winner was Albert Repa, Jr. of Granger.

Information regarding the program can be received from vocational agricultural teachers.

Some popcorn and white corn are grown under contract for processing food items. These cases, where integration does reach the grain producer, involve only a small fraction of the total grain grown in Texas.

The most likely potential benefits from integration that includes feed grain growers appears to be product specification. Moore added that product specification is likely to be important only for feed grains used for food or industrial purposes. As greater effort is made to develop new industrial uses for feed grains, the problem of product specification may become more important and potential benefits from contract growing of feed grains may increase.

## Pecan Show Scores Success

By County Agent J. D. Moore

## Analysts Forsee Better Prospect For Hog Markets

COLLEGE STATION: Better days may be ahead for hog producers. Farrowing intentions for December 1959 - February 1960 are down four percent from last year in the 10 Corn Belt States. If intentions are followed this will be the first reduction in two years and may stimulate a price increase.

Farrowing intentions for the period March 1960 - May 1960 will be reported in December and if the number of pigs born in this quarter show a decline, then we can assume hog numbers have turned the corner and headed down, according to Lloyd Bergsma, extension livestock marketing specialist and John McHaney, extension economist.

In the 10 corn belt states, which accounted for 75 percent of the total U. S. production in 1958, the number of sows farrowed or intended to farrow this fall (June through November) is five percent larger than during the same months of 1958. This is 23 percent larger than the 1948 - 57 average. The hog - corn ratio has reached a level which would normally promote a reduction in hog numbers, noted the specialists. The current

ratio of about 11.5 is the lowest during a fall breeding season since 1955 when the fall hog - corn ratio dropped to 11.4. However, they said, the effect this lower hog corn ratio normally has on farrowing intentions and hog numbers may be partially modified by the huge supply of feed grains and lower level of feed grain prices.

There were 54 entries in the pecan show and 52 entries in the Foods show.

ratio of about 11.5 is the lowest during a fall breeding season since 1955 when the fall hog - corn ratio dropped to 11.4. However, they said, the effect this lower hog corn ratio normally has on farrowing intentions and hog numbers may be partially modified by the huge supply of feed grains and lower level of feed grain prices.

Hog slaughter during the first nine months of 1959 has been 14 percent greater than in 1958. Slaughter for the last quarter of 1959 will come largely from the March-May pig crop which was up 9 percent from last year. With the larger fall pig crop in 1959 slaughter can also be expected to continue high during the first half of 1960.

## Services Held For Wm. E. Wilson, 81

## Farm Census Half Completed In Area

The 1959 Census of Agriculture is about 50 percent completed in this area, it was announced today by field director James W. Stroud of the Census Bureau's regional office at Dallas.

The Census official stated that he was well pleased with the co-operation the census takers are receiving from farmers in this area and has high hopes of completing the canvass within the next ten days. He pointed out that the field canvass of farms is one of the larger costs of the census and that co-operation of farmers in completing questionnaires promptly will be a vital factor in keeping down the final cost of the undertaking.

Quick completion of the census will not only help in keeping costs down but will aid in prompt publication of the results, the field director said. He urged local farmers who have not already done so to complete the census questionnaire and have it ready when the census taker calls.

## Mail Service Due 'Metro' Plan Boost

Postmaster General Arthur E.  
Summerfield today announced wide  
ranging improvements in mail tra-  
nsportation that will mean better  
mail service for Cameron and Mil-  
am County and 293 other com-  
munities in the San Antonio - Aus-  
tin metropolitan area.

Discussing the program at a  
meeting of postmasters in San An-  
tonio Tuesday, George A. Gray,  
Regional Operations Director, said  
that more than two million peo-  
ple in the 64 - county area, ex-  
tending from the hill country a-  
round San Angelo to the Rio Gran-  
de Valley, would benefit by bet-  
ter mail service.

Barring infrequent delays in me-  
dia of transportation and occasion-  
al distribution errors, first - class

### INTRODUCING

Mr. and Mrs. Ladis Marek, Jr.,  
announce the arrival of a daugh-  
ter, Anne Marie, who was born  
November 25 and weighed 3 lbs.  
and 14 ozs.

### Introducing

Born to Mr. and Mrs. Thomas  
Stoebner on November 29 a daugh-  
ter, Janice Annette. Mrs. Stoeb-  
ner was the former Florence Ruth  
Boecker.

Maternal grandparents are Mr.  
and Mrs. E. C. Boecker, Rt. 2,  
Buckholts. Paternal grandparents  
are Mr. and Mrs. Will Stoebner of  
Burlington.

### INTRODUCING

Mr. and Mrs. D. J. Orsag of  
Rogers announce the birth of a  
7 lb. - 6 oz. son, Ronnie Dwayne,  
who was born November 18.

letters mailed at designated col-  
lection boxes or in the post of-  
fice before 5 p. m. on a business  
day will be delivered on the first  
delivery at any office in the area  
on the following business day.

Tests just concluded, Mr.  
Gray said, "prove the mail pat-  
tern to be exceptionally successful.  
Approximately 1,650,000 first-class  
letters originate on an average day

in post offices inside the area.  
Approximately 63 per cent of all  
this mail is destined for points  
within the area. We have tested  
our new service patterns and sched-  
ules with highly satisfactory re-  
sults."

He pointed out that mail for  
and from offices outside the area,  
all over the United States, will be  
expedited by the new arrangement.  
Accelerating the flow of mail in  
the metropolitan area, it was ex-  
plained, is part of the national  
postal program, which has next-  
day delivery between any two ma-  
jor cities in the country as its  
long - range objective.

This is the 58th Metropolitan  
Area Plan established in the coun-

try, serving a population of more  
than 125 million people.

The revised mail pattern is bas-  
ed on the establishment of sec-  
tional centers to which mail from  
outlying offices is brought for con-  
solidation and onward dispatch for  
connections with truck line facili-  
ties at San Antonio.

These sectional centers have  
been established at Alice, Austin,  
Corpus Christi, San Angelo, San  
Antonio, Taylor and Temple. In  
addition, three mobile sectional  
centers, which are highway buses  
in which mail is distributed en  
route, operate between Alice and  
McAllen, Corpus Christi and San  
Antonio, and Houston and San  
Antonio.

### TEXAS CHAMPIONS OF FREEDOM

## GENERAL TOM GREEN

### Defender of Liberty Through Three Wars

Whenever there was fighting to be  
done in Texas between 1835 and 1864,  
Thomas Green was usually in the thick  
of it. And of fighting there was plenty.  
21-year-old Green, a lawyer and gradu-  
ate of Princeton, arrived at Nacog-  
doches in December, 1835 - just in  
time to join the Voluntary Auxiliary  
Corps of the Texas Army.  
Born in the Republic of Texas, he  
represented Fayette County in the 4th  
Congress, became Clerk of the Supreme  
Court, took part in an expedition  
against the Indians on the upper Colo-  
rado River and, as Captain, raised and  
led a company of volunteers in the  
Mexican War of 1846-47. When the  
State of Texas became a part of the  
Confederate States of America, Tom  
Green was again ready to champion the  
right to live as he chose. In the New  
Mexico campaign and at the recapture  
of Galveston, Green - then a Colonel  
- proved his extraordinary military  
leadership. Transferred to Louisiana,  
he was an important factor in the  
crucial battle of Mansfield and Pleasant  
Hill. As history records him, it seems  
as if Tom Green knew he must crowd  
a lifetime of adventure, bravery and  
devotion to the cause of freedom into  
a few short years. He held the well-  
earned rank of Brigadier General when  
he was killed on the Red River,  
April 12, 1864.

Today Texans still demand and get  
their right to choose the way they  
want to live. In this vigorous and  
freedom-minded homeland - "Beer  
freedom" and this is why the United  
States Brewers Foundation works con-  
stantly, in conjunction with brewers,  
wholesalers and retailers, to assure the  
sale of beer and ale under pleasant,  
orderly conditions. Believing that  
strict law enforcement serves the best  
interest of Texans, the Foundation  
stresses close cooperation with the  
Armed Forces, law enforcement and  
governing officials in its continuing  
Self-Regulation program.

## Cameron Auto Supply Boosts The Best In Name-Brand Parts

Cameron Auto Supply Co., lo-  
cated at 101 E. Main Street south  
side of the Courthouse, are cele-  
brating their fifteenth year in Cam-  
eron. They have built their busi-  
ness on service to their custom-  
ers, handling only the best qual-  
ity, nationally known brands of re-  
placement parts for all makes of  
automobiles, trucks and tractors.  
Such names as McQuay-Norris,  
Farm, Walker, Gater, A. C. Cha-  
mpion, Hastings, Autolite, Black-  
hawk, Lockhead and the Genuine  
United Motors Lines including Del-  
co-Remy, New Departure, Hyatt

Carter, Rochester, Delco Batter-  
ies and other related lines that go  
to make up a complete stock of  
the best replacement parts avail-  
able. In addition to the automotive  
lines carried they stock parts for  
Briggs & Stratton, Clinton, Lau-  
son Power Products and Lawboy  
small gasoline engines.

They urge owners of any of these  
small gasoline engines to get all  
necessary model and type num-  
bers of their engines before ask-  
ing for replacement parts as this  
information is very necessary to  
obtain the correct part needed.

Cameron Auto Supply believes in  
fairness to all. They have no give-  
aways, special prices on shoddy  
merchandise, only quality and ser-  
vice they expect themselves are  
good enough for their customers.  
Old customers and friends are  
always welcome, new ones are  
invited to visit us for their re-  
quirements is keep their automo-  
tive equipment rolling.

Cameron Auto Supply wishes to  
thank their friends for the fine co-  
operation during the past fifteen  
years and hope to serve you many  
more.

Ford Tractors  
Are Dependable

You get power you can depend  
on with Ford Powermaster trac-  
tors available at Stedman Tractor  
Co., Cameron, according to H. H.  
Stedman, agency owner.

Stedman points out that his trac-  
tor agency features sales and ser-  
vice on all Ford tractors and field  
equipment and New Holland bal-  
lers, rakes and mowers.

His company also handles the  
famous Maytag gas range, wash-  
ers, dryers and conventional wash-  
ers. Another product well-known  
for its efficient operation. Stedman  
says, is Toro Lawnmowers.

"We have operated a Ford trac-  
tor agency since 1946 on the basis  
of fair price on all our farm equip-  
ment good trade in allowances on  
used equipment and the Best Ford  
farm equipment repair in Central  
Texas."

Hugh Smith has managed Sted-  
man Tractor since it was opened.  
The agency was moved to its pre-  
sent location, First and North Cen-  
tral, a short time after it was es-  
tablished in Cameron after World  
War II.

"Stedman Tractor also has excel-  
lent service personnel in Leroy  
Barkemeyer, our service manager  
and Herman Reineke, tractor me-  
chanic. Barkemeyer has 10 years of  
experience while Reineke has a-  
bout seven," Stedman says.

## Modern Station For Mack's Oil

Mack's Oil Company is open for  
business at their highway 77 and  
36 service station location with  
completed improvements which in-  
clude a cement driveway and mo-  
dernization of retail gasoline pump

cently remodeled the company of-  
fices as part of a continuing ef-  
fort to keep facilities of Mack's

Oil Company up to the latest in  
motorists requirements in an auto  
service center.

McCullin, also Phillips petroleum  
distributor in Milam, Burleson and  
Lee Counties knows that top-notch  
service is what customers want.  
And that is what they get at his  
Cameron, Rockdale, and Caldwell  
service stations.

The Cameron station features  
Phillips petroleum products includ-

ing diesel fuel, motor oil and  
gasoline. They also sell Lee Tires,  
the famous Gates belts, Purolator  
oil filters and Champion spark-  
plugs all well known brand items.  
"You will find the complete ser-  
vice at Mack's 66 in Cameron,"  
McCullin says. "And the same ef-  
ficient, courteous Phillips 66 ser-  
vice awaits you at the Rockdale

## WMS Conducting Yuletide Drive

The Women's Missionary Society of the First Baptist Church of Rogers is leading the church during the month of December in the annual Lottie Moon Christmas offering for foreign missionary work.

A goal of \$350 has been set for this year while \$282 was given a year ago. Mrs. Hubert Price is president of the Society this year and Mrs. Millie Gandy is secretary. An attractive poster with a thermometer on it has been posted to show the status of the drive from week to week. The Rev. Edmund Lacy is pastor of the church.

### HOLIDAY GREETINGS

Another year has rolled around, and all of us are getting ready and looking forward to the Christmas holidays, the Birthday of Our King. At this time I would like to take this opportunity to say "Thank You" to all our customers here in Cameron for the business you have given us during the past year. On behalf of all the telephone employees here, I wish to extend to you and yours a Very Merry Christmas and a Prosperous and Happy New Year. We have enjoyed serving you this past year and hope that our telephone service in the year 1960 will be even better. If we can be of any help to you in arranging or rearranging your telephone service for your home or office, please call the Business Office and we will be glad to help work out good, adequate telephone service for you.

### ANNOUNCE YOUR GIFT WITH A MINIATURE PHONE

I was walking down Houston Street the other day, looking at all the nice things our Cameron businessmen have on display for Christmas in their store windows, and just about everything I saw would make a mighty fine gift for somebody.

But I guess that's where the Christmas shopping problem comes in — picking the right gift for the right person.

If you're stumped about what to give, I know a gift that's always right — right for Christmas, right the year 'round. It's an extension telephone in color. A color phone beautifies the home and is a faithful servant in the kitchen, the bedroom, the den — wherever it's needed most.

Now, here's real news. When you order one as a gift — for your wife, your teenagers, a relative or a friend — we'll send you a miniature color phone absolutely free. Packed in a colorful box and ready to be placed under the Christmas tree, it's a wonderful way to announce to that lucky person that a color telephone is on its way.

Call the telephone company today to order an extension telephone in color, and get that miniature phone while the supply lasts.

### GET NUMBERS FOR HOLIDAY CALLS

I know a lot of folks in Cameron will be making Long Distance calls over the holidays, and so will thousands of others all over Texas.

To get everybody's call through as fast as possible, it's doubly important that you call by number.

If there are any numbers you don't know, please ask the Long Distance operator today so you'll have them when you call around Christmas or New Year's. This number service is free now and every day of the year.

We'll also send you, if you wish, a free Blue Book to keep a record of your numbers.

Call by number. It's twice as fast.

## Miss Bradbury Is Honored With Tea

Miss Jean Bradbury, bride elect of James David Kercheville, was honored with a tea Saturday afternoon in the home of Mrs. Roy Law.

Mrs. Clifton Jenness greeted guests and presented them to the receiving line, Mrs. Law, Miss Bradbury, Mrs. C. W. Bradbury, mother of the bride - elect, and Mrs. A. C. Strickland of McGregor the honoree's aunt.

A lovely Christmas tree of mint green net lighted with stars of pastel shades gave festive air of the holiday season to the living room.

Guests were invited into the dining room by Mrs. Drayton McLane and Mrs. John C. Martin.

The table was laid with a silver and white cloth and held silver appointments. Three tall white tapers surrounded with white tulle, silver bells and red carnations centered the table.

## Rev. D. C. James Speaks At PTA Monthly Meeting

At the monthly meeting of the Cameron PTA, Rev. D. C. James spoke on "Strengthening our Home Through Spiritual Values".

Also discussed at the meeting was the possibility of the PTA sponsoring a Cub Scout Pack. A committee was appointed to study the matter further.

Mrs. E. O. Smith gave a report on the State Convention in Dallas. Special music selections sang by the 8th grade choir, under the direction of Mrs. Glenda Dusek was presented to the group.

Mr. V. A. Adams, 8th grade, won the attendance banner.

tered the table. A large silver bowl of red anthuriums flown in from Hawaii decorated the buffet. The honoree's chosen color, red, was carried out in the decorations.

Mrs. Eber Flinn assisted Mrs. H. Clay Watson of Waco, aunt of the bride, who poured coffee. Others in the house party were, Miss Nan Hubert of Houston and Mrs. O. B. Harden, John B. Henderson, Louis Holley, Joe Denson, R. G. Grabien H. D. Maxwell and W. A. Bonds.

## Mrs. Harrell Is Delphian Hostess

Mrs. S. M. Harrell was hostess for the Cameron Delphian Club meeting at her home last week with Mrs. J. R. Young as co - hostess. Members contributed toys for the city Santa Pal project and for the program exchanged ideas on Christmas gift making and holiday decorating.

Following the program refreshments were served in the dining room. White Chrysanthemums centered the serving table and pink tapers in a silver candelabra lighted the room.

Molded chicken salad, fruit cake and cookies were served by Mrs. Young. Mrs. Grady Sudham presided at the coffee service.

Ronald Gaston spent last weekend here with his cousin Gilmer Gaston. Ronnie is now almost completely recovered from rheumatic fever which he had several years ago.

## Ben Arnold Rev. Paul Robinson Guest Speaker At Baptist Church, Sun.

The Rev. Paul Robinson of Baylor University was guest speaker at the Ben Arnold Baptist Church last Sunday. He was accompanied to Ben Arnold by his wife, Betty and daughter, Mary Jane. They were guests of Mr. and Mrs. Sonny Swanzey and family.

Mr. and Mrs. Paul Swanzey of California are the happy parents of a baby girl, born on Friday December 4 in California. Paternal grandparents are Mr. and Mrs. L. A. Swanzey of Ben Arnold.

The Community Club sponsored a party and 42 party at the school on Saturday night. Winning prize at the 42 party were Mrs. Herman Dornier, Sr. high for women, Sonny Swanzey, high for men and Mrs. Alma Lorenz, for most 84's.

Mrs. Lorene Meeks and Miss Ludia Reimer were hostesses.

## League Director To Speak Before Rogers Grid Fete

Rogers School officials have announced that Dr. Rhea H. Williams state athletic director of the University Interscholastic League, has been obtained as speaker at the annual football banquet to be held in the school gymnasium on December 19.

Tickets for adults will sell for \$1.60 and students \$1.00. The menu will consist of fried chicken, baked potatoes, green beans, special salad, pickles, iced tea, rolls and ice cream.

One of the highlights of the banquet will be the crowning of the Football Sweetheart by the football captains. It will be kept a secret until that time, as to the identity of the Sweetheart. The candidates are: Freshman Shirley Luksa; Sophomore Dottie Hoelscher; Junior Ruby Wilkerson; Senior: Martha Ann Necas.

Dr. Williams will probably give some of the highlights of the League in its 50th anniversary year which has done more for the youth of Texas than has any other such league in the nation.

## Homemakers Plan Annual Church Fete

The homemakers Class of the First Baptist Church of Rogers will be hostess for the annual church party for the women of the church Tuesday night. The party will be held in the Church basement at 7 p. m. with Mrs. Ed Seskel, president of the Homemakers Class as master of ceremonies. Mrs. Mollie Gandy is Teacher of the class.

Mrs. Edwin Smith will give the devotional, and Mrs. Edmund Lacy will sing a special song of Christmas. Mary Nell Seaton will have charge of decorations. Mrs. Wilburn Warren of recreation. Mrs. Smith will present the program. The women will draw names and exchange gifts.

Journey For Peace...

President Eisenhower's precedent-setting (or precedent-breaking) tour of 11 nations around the globe is drawing tremendous ovations.

Making the first Presidential world-wide swing in U. S. history, Eisenhower met with popular acceptance in Turkey that experienced reporters termed his greatest crowd.

This would show two things:  
ONE—He is still heralded as a powerful personality in the image of the World War II military leader.  
TWO—His popular acceptance shows enthusiastic desire for direct U. S. recognition, which his visits grant.

Numbered among the 11 nations he will visit are Pakistan, Turkey and Spain, all strategic ramparts in the Northern bulwark around the Communist sphere. The "stupendous" ovation in capital-city Ankara, Turkey, (population 500,000) brought out 600,000 people. There was an endorsement rarely seen in the Middle East. Yet it shows the value put upon U. S. alliance in the face of the Soviet Union, Turkey's neighbor to the north.

Eisenhower's decision to make his historic 22,000-mile tour comes at an epic time. It is the U. S. answer to Nikita Khrushchev's recent globe-trotting in vital areas of the world. It shows Washington's awareness that the whole world-pro-Western, neutral and Communist—is our sales territory. And that the nations No. 1 spokesman, the President, is paying these nations his highest compliment... a personal visit.

Only one other president has toured part of the world with equal or greater acclaim. And that was President Woodrow Wilson, who toured Europe after World War I in behalf of his dream of the League of Nations.

Idealist Wilson drew tremendous popular response in Western Europe. His idealism was not backed by the Congress of the United States; yet the League, though doomed to failure with the rise of Hitler, came into being in 1919.

It has taken Khrushchev's propaganda-loaded tour of the U. S. and other parts of the world to convince American diplomacy that winning and keeping friends and allies is a personal thing.

Eisenhower is doing only what he must do in the light of Soviet competition, both political and economic. At this point in his career, his personal popularity in many parts of the world serves him well in his mission of peace.

If Eisenhower is successful in reinforcing American relations with strategic nations around the world, Khrushchev will have to pull another rabbit out of his hat to regain the advantage.

This we must expect. For the battle for men's minds is the most important of all. The President is finding endorsement wherever he goes, because in the final analysis, men everywhere are hungrier for freedom than for food.

Khrushchev promises "food for thought" with inevitable control where his kind of exchange is accepted. In speaking for the U. S., Eisenhower promises only hope for peace with "justice and equality for all nations...."

State Dedicates  
Courts Building

By Vern Safford  
AUSTIN — Texas high courts began a new era of stately splendor with a doublebarreled dedication of the massive granite Courts Building.

Court of Criminal Appeals dedicated its chambers in the north wing, and the Supreme Court had another ceremony for its new home in the south wing.

Opening of the \$3,000,000 building represented a dream come true for the jurists and State Bar leaders who began talking of a courts building back in 1940, the year of the Supreme Court's 100 anniversary.

Supreme Court dates its origin to the days when Texas was still a republic and the first session was held Jan. 13, 1840, in a private home in Austin. Court of Criminal Appeals was established in 1891 and is the oldest of the only three courts in the world of its type. It has final, exclusive jurisdiction in criminal matters.

In opening day addresses Bar leaders paid tribute to the courts and jurists through the years as guardians of the concept of government by law rather than by men.

Justices of both courts wore for the first time the black robes that will be their court attire from now on. Robes, said Supreme Court Justice J. E. Hickman, are "not to satisfy our own vanity, but in recognition of the fact that we are beginning a new era in the court's history...."

These elegant surroundings call for it.... Judge Hickman who is planning to retire next year, had said some years ago when the building was still in the planning stage, that to preside in the new courts building was one of his most cherished hopes.

When the day came, the elderly, revered jurist, admitted to having, among other emotions, a "nostalgic feeling" for the old courtroom where "the great jurists of the past had sat."

**SURE BUT**  
A majority of legislators, according to reports, have told Gov. Price Daniel they favor a pay raise for school teachers.

But from there on their statement — at least those that have been made public — contain little to encourage either the governor or the teachers.

Some say they would favor the raise only if it did not mean passing this, that or the other kind of tax. Some point to what they call the "improbability of success."

Almost all the lawmakers, it seems, would be more than willing to vote a teacher raise if the governor can come forward with a money-raising plan on which general agreement can be reached. But talk has been mostly of taxes, like the abandoned property tax and three-factor formula franchise

tax, which ended in hopeless wrangling in the four sessions this year.

Some Capitol observers are predicting that Governor Daniel might pass up calling another session and put the blame on the legislature for not being willing to pitch in. This might be coupled with a challenge to the people to elect a different Legislature next time.

BOWING OUT

Announcements filtering in from over the state already indicate there'll be a number of new facts in the 57th Legislature when it meets in January, 1961.

Aside from the four who have resigned and will be replaced in special elections Jan. 9 nearly a dozen representatives have said they will not ask re-election to the House.

In this group are Reps. Joe Ed Winfree, Houston; W. N. Woolsey, Corpus Christi; James S. Bates, Edinburg; Carl Conley, Raymondville; Ben D. Sudderth, Comanche; Oscar M. Laurel, Laredo; Keek Zbranek, Daisetta; V. L. Ramsey, Beckville; Jerry Sadler, Palestine.

Some of these will be running for other offices or are hoping to. Others are retiring to private life, at least for the time being.

Those whose places are to be filled in the special elections in January are Sen. Jimmy Phillips of Angleton; Reps. Ted Myatt, Burleson; Bobby Bullock, Hillsboro; and Sam Bass, Freeport.

20 Years Ago

Cameron's annual football banquet was held at Cato Cafe. Morley Jennings, coach at Baylor University was the main speaker.

Pythians elected Grady Allen as Chancellor Commander. Others elected to offices were Graham Gillis, C. R. Allison, L. A. Dusek, W. O. Triggs, and M. G. Cox.

Cameron got into motion pictures in the year 1939. The Fox Motion Picture Company from Hollywood made a film of the Citizens National Bank and the Christmas decorations they had displayed.

40 Years Ago

A report from Washington reported that 34,313 bales of cotton from Milam County had been accounted for to the December 1 date.

Cameron was thrown into darkness and without water last Wednesday night when the Steam Engine in the Cameron Water, Light, and Power plant exploded. The engine was completely demolished.

Bright Side Of Failure Of Our  
Latest Rocket Shot At The Moon

Dear editor:

Now that President Eisenhower is off on his trip to eleven foreign countries, there is one aspect of the tour a lot of the experts seem to have overlooked.

You'll recall that when Dictator Khrushchev arrived in this country last summer, he turned up just a few days after the Russian had hit the moon with a rocket, and this was considered a great propaganda victory. Consequently, a lot of people had been hoping that the recent United States attempt to send a rocket around the moon would be a success, so Mr. Eisenhower could arrive fresh in those foreign countries with a moon shoot to our credit, but as everybody knows, the rocket was a flop.

This was considered a heavy blow, but I don't look at it that way at all.

In one way, it was really fortunate. It heads off a trend.

If the world started the practice of requiring a sensational rocket firing every time some high official visited a foreign country, outer space would be filled with satellites orbiting around each other in great propaganda dives celebrating the arrival of somebody somewhere on this earth, not to mention that even greater number cluttering up the bottom of the ocean when the things mis-fired.

Why you take the average Secretary of State, I estimate it'd take 40 or 50 satellite launchings a year just to keep him in fresh propaganda on his travels about the earth, even in normal times, and when a crisis breaks out, the figure'd be doubled.

And you know how this thing spreads. It wouldn't be long before you couldn't get the Prime Minister of say, India, for example, to fly to Washington at our expense for a summit meeting unless we first guaranteed to send up a first-class satellite in his honor.

A little later on governors of states would catch on and refuse to cross the border from one state to another without a medium, or governor's size launching. The thing would finally break us.

As far as I can tell, we may be just as well off that our recent moon shoot is at the bottom

of the ocean and Mr. Eisenhower is in Europe talking peace instead of propaganda. Wonder what went wrong with that rocket anyway though?

Yours Faithfully,  
J. A.

## Guns Too In Santa's Pack

By Vern Sanford

There'll be a lot of guns in  
 Santa's pack this Christmas.

Manufacturers are producing  
 many new models. And there's a  
 big crop of youngsters coming al-  
 ong, who are anxious for guns.

In the average boy's life the  
 desire to own a good gun is  
 most natural. It began way back  
 there in the stone age, when Jr.  
 got a small - size stone axe. This  
 continued through the bow and ar-  
 row era, to the blunderbuss, and  
 now to the highly efficient, modern  
 firearms.

With every gun found under the  
 Christmas tree there should be a  
 word of warning. This warning  
 may be true, but it is worth re-  
 peating. When you get that new  
 gun, treat it with care. Be sure it  
 is out of the reach of children,  
 and never play with it.

It is fitting that we should get  
 guns at Christmas time, because  
 this is the time of the year to  
 hunt. The duck and goose season  
 is well under way; the quail sea-  
 son is only half over; and a few  
 days still remain in the deer sea-  
 son.

So why not plan a couple of days  
 of good hunting.

There are many spots in Texas  
 where the ducks and geese now  
 hunt, try one of those places on  
 the coast where you can get ei-  
 ther ducks or geese, or both. There  
 are numerous rice - field spots  
 where hunting privileges can be  
 had for \$10 a day or less.

If you don't know of a place  
 to go, write to the Chamber of  
 Commerce at some of the coastal  
 towns. They have lists of hunting  
 leases. In several towns there are  
 hotels that provide package vaca-  
 tion trips. You get your room,  
 meals and hunt all for a reason-

All interested persons are advised

that the reconstruction and im-  
 provement of U. S. Highway 79  
 from 1.6 miles west of Milano to  
 1.0 mile east of Milano is being  
 planned by the Texas Highway  
 Commission. The reconstruction  
 will follow the existing route of  
 U. S. Highway 79 through the town  
 of Milano. Preliminary drawings,  
 plans and sketches showing the  
 proposed work are on file at the  
 office of Carol D. Zeigler, Senior  
 Resident Engineer, Hearne, Texas.  
 Any interested citizen may re-  
 quest that a public hearing be held  
 respecting such proposed recon-  
 struction and the economic effect  
 of such reconstruction by deliver-  
 ing a written request to Carol  
 D. Zeigler, Senior Resident Engi-  
 neer, P. O. Box 506, Hearne, Tex-  
 as on or before the 18th day of  
 December, 1959. In the event such  
 request is received, a public hear-  
 ing will be scheduled and adequate  
 notice will be given as to its  
 time and place. 36-2tc

All farmers who were entitled to  
 share in 1959 - crop peanuts plant-  
 ed for harvest as nuts on a farm  
 having more than one acre of pean-  
 uts planted are eligible to vote  
 in the December 15 referen-  
 dum, Terry declared.

In the last previous vote on pean-  
 uts marketing quotas - In Dec-  
 ember 1956 - quotas for the 1957,  
 1958, and 1959 crops were approved  
 by 93.5 per cent of the growers  
 voting.

abound. Perhaps the river that  
 flows near your town offers some  
 good night shooting.

Or there may be a farmer fri-  
 end with a good stock tank that at-  
 tracts ducks. It's possible that  
 ducks may be eating the grain in  
 his field. Talk to him about it.  
 Or, if you want to take a real  
 able fee.

Most of these places permit  
 only morning shooting, but in a  
 good spot you can get all the shoot-  
 ing you need during the morning.  
 Actually, the present day limit is  
 just about all any man can use.

Quail are everywhere this sea-  
 son. If you haven't already made  
 your contact with a farmer, take  
 the family on a little Sunday af-  
 ternoon drive. When you get out in-  
 to the country, stop at a few like-  
 ly looking places and ask for per-

## Peanut Referendum

To Decide Fate  
Of Next 3 Crops

The Tuesday referendum on pean-  
 ut marketing quotas is an im-  
 portant one for growers. Gib Ter-  
 ry, chairman of the county Agri-  
 cultural Stabilization and Conser-  
 vation Committee said today.

The outcome of the vote will  
 decide whether a marketing pro-  
 gram which has been in effect  
 since 1949 shall continue for the  
 next three crops of peanuts. At  
 least two - thirds of the votes  
 must approve the quota if the pro-  
 gram is to continue.

The program to be voted on is  
 essentially the same as the one  
 now in operation, according to the  
 chairman. Under present law, price  
 - support loans, when market-  
 ing quotas are in effect, are avail-  
 able at a level ranging between 75  
 and 90 per cent of parity, depend-  
 ing on the supply of peanuts at the  
 beginning of the marketing year.

Under guests, too, marketing  
 penalties apply to "excess" pean-  
 uts of growers who exceed their  
 acreage allotments.  
 If more than one - third of the  
 votes oppose the quotas, the loans  
 available to growers who plant  
 within their acreage allotments will  
 drop to 50 per cent of parity, and  
 no quotas or penalties will apply  
 to the 1960 peanut crop, he said.  
 In such an event, another referen-  
 dum would be held next year on  
 quotas for the following three  
 years of peanuts.

All farmers who were entitled to  
 share in 1959 - crop peanuts plant-  
 ed for harvest as nuts on a farm  
 having more than one acre of pean-  
 uts planted are eligible to vote  
 in the December 15 referen-  
 dum, Terry declared.

In the last previous vote on pean-  
 uts marketing quotas - In Dec-  
 ember 1956 - quotas for the 1957,  
 1958, and 1959 crops were approved  
 by 93.5 per cent of the growers  
 voting.

# Yoe Drop Two In Tournament

The Cameron Yoemen went winless in their first basketball tournament of the year at Belton last Thursday and Friday.

Cameron lost Thursday to McGregor by a 44 - 31 margin. Cameron got 9 in the first quarter, 11 in the 2nd, 6 in the 3rd, and 5 in the 4th.

McGregor picked up 12 points the first two quarters each and got 14 and 6 points in the 2nd half.

Leading McGregor scores were Esh with 18 points. Dwayne Jergeons led the Yoemen with 10 points.

Friday's competition was with the Rogers Eagles with the Yoe pating 37 - 32.

Cameron jumped the gun and went out front 11 - 9 after a single quarter of play. Rogers came back strong to rap up 12 on the 2nd quarter as Cameron lagged with 9 points putting Rogers out front 21 - 20.

The Yoemen lost heart in the third quarter only scoring 5 times to Rogers' 12 while the tables were turned in the last frame with Cameron getting 6 and Rogers 4. The upstart was a little late as the score ended 37 - 32, Rogers.

Wright had 21 for Rogers and Juergens had 13 for Cameron.

Mr. H. R. Eddins and son Ray from Corpus Christi spent the weekend in the home of Mr. and Mrs. Earl Peck Sr.

## Humphlik, Bayer 18AA Honors Won

Joe Lee Humphlik and Ernest Bayer, Yoemen footballers were named to 18AA's all-district team last week.

Humphlik, 180 pound tackle and Bayer, 185 pound fullback and end were the only Cameronites placed on the squad.

It was the second year for both boys to make the squad. Humphlik, a senior made the second string last year and Bayer, a sophomore was listed also on the second string last year, as a freshman.

A Cameron leader and outstanding on offense and defense, Humphlik is a three-year letterman. He's been at tackle since making the Yoe squad in 1957.

Bayer, a tackle last year, was moved around this season from fullback to end and saw a little action at tackle. The next two years teams will rely heavily on Bayer's skill.

A younger brother of Monroe Mayer, a '56 all-district player, he has the speed needed by a backfield man and the hardhitting ability of a lineman.

### In Hoop Thriller

Thorndale edged the Buckholts Badgers Friday night, 33 - 32, behind the 13 - point scoring of Thomas Tate.

Playing on the Thorndale court, the Thorndale girls teams also turned the trick in a 50 - 38 win over the Buckholts girls team. Buckholts Carolyn Mekush was high scorer for the night with 21 points. Thorndale scoring was led by Betty Heine with 17 points, Gladys Schramm with 13 and Maurice McNulty with 12.

In the boys game, a 13 point fourth quarter scoring surge put Thorndale ahead to win by one point. Buckholts was leading into the final period, but scored only 9 points in the fourth.

High point man for Thorndale was Bobby Evans with 12 points followed by Richard Westbrook with 8.

## Milano Scrapes By Rogers, 36 - 35

The Milano boys team nipped Rogers, 36 - 35, in a spine - tingler Tuesday night at Milano with Charles Herston leading Milano scoring with 13 points.

It was a close on all the way for the Milano crew. Tyler of Rogers kept his team in contention with 12 points for team scoring honors.

The Rogers B - team reversed the score in defeating Milano Bees 22 - 18. In girls team play, Milano went ahead to win going away 61-36 over Rogers girls. Jewel Knight led all scorers with 28 points for Milano.

Miss Necas garnered 25 points for Rogers.

## Caldwell Defeates Yoemen For Second Loss Of Season

The Cameron Yoemen dropped a doubleheader basketball match to Caldwell Tuesday. The A team was defeated for the second time this year, 50 - 19 and the B team was dropped 33 - 32.

Cameron saw nothing but tragedy as Caldwell was on the forceful side all the way, after the first quarter the game was 4 - 4 tie only for Caldwell to come back with 8 and hold the Yoemen scoreless in the second quarter.

Caldwell succeeded in picking up 10 in the third and Cameron only 4. The Yoe got 2 in the last span and Caldwell 10 to wrap up the one - sided affair.

Cameron leading high point man was David Barkemeyer with 12 while Horak basketed 11 for the opposition.

Despite an all - american try the younger B outfit was topped 33-32. Thomas Leonard and Chester Simons sparked in the offensive play but the Yoe couldn't hold down the slick shooting Caldwell squad.

Matejusk was the big man all the way covering the court like a cat and garnering 12 points.

Caldwell had 5 points in the first quarter, 2 in the second, 6 in the third and 10 in the last. For Cameron they had 2, 10, 4, and 16. Both games were played in Caldwell.

Here's the A team boxscore.

CAMERON				
Barkemeyer	4	4	3	12
Juergens	1	4	2	6
Woodum	0	1	3	1
Morgan	0	0	3	0
Lierman	0	0	1	0
McClaren	0	0	4	0

CALDWELL

Horak	3	5	0	11
Harold	4	0	1	8

## Yoe Basketballers Meet Sam Houston

### Meet Sam Houston

Next week the Yoemen basketball squad will see action with what will probably be the toughest competition they will be up against this year. They will meet San Houston High School here Thursday, December 10th.

The 11th will bring Caldwell here in a match, and Thorndale will play here the 15th as the last game of the year before Christmas Holidays. Play will be resumed the 29th of December.

## View On Sports

By Robert Mann

Cameron saw action in their first basketball tournament last Thursday and Friday before being eliminated. McGregor beat the Yoemen in their first match and Rogers, with a surprisingly strong team upset Cameron 37 - 32.

Let's take a passing glance at our district's basketball teams. The tournament may be as good a measuring stick as any. Belton appears to have the strongest team to date and showed it by topping West some 30 points.

Rockdale and Rosebud went round and round. The tigers eventually getting the best of the tilt. Harvey Holliman, 6-9 has the possibilities of carrying Rockdale on up in their competition.

Rosebud's sparkler appeared to be Marvin Spivey, leading scorer.

Hearne lost to Marlin 36 - 30, the Hearne - Cameron games should be nip and tuck all the way if their football match was any kind of a pre - basketball season reference.

The Yoemen's record, as yet doesn't look very impressive but we believe that with the proper backing and a few breaks, that were denied us in the gridiron sport, we can advance up the ladder of basketball success in district.

## Milano Lashes Somerville, 39 - 27

Milano outran Somerville 39 - 27 in a game Friday night led by the scoring of the Eagles' Haristion with 18 points.

Somerville's Marek was the top scorer for the home team with 9 points.

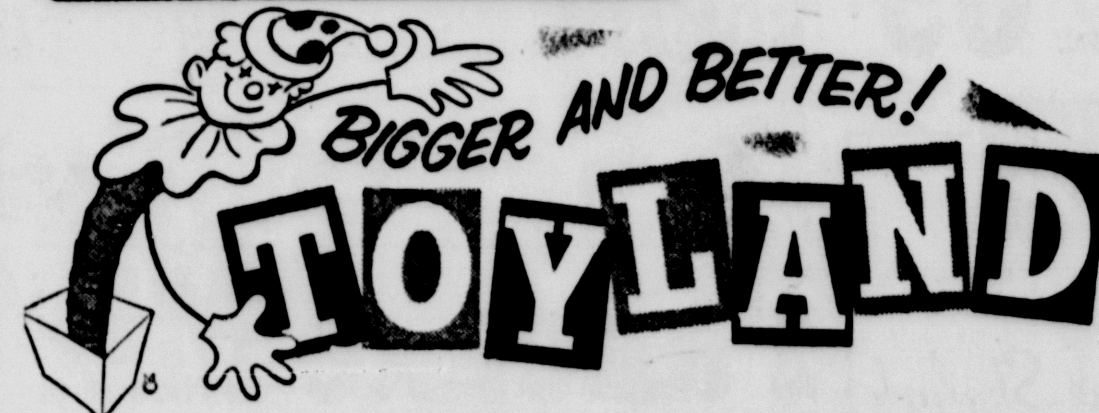

It was cold night for high - scoring Milano, which had won or tied for the basketball crown in its loop crown for the past three years.

Coach Ed Swenson had guided his charges to a 27 - 3 record district record in the past three years.
